BLADE

FENCING, GATES & SCREENS

With its sleek and modern design, Blade fencing has become the new picket fence.

Because they're made from aluminium, Fence Spot's stunning range of blade fences, gates & screens don't rust or rot.

With 100 colours to choose from, and multiple options for height, blade width and gap width, we have a blade fence to provide security, privacy and view for every Perth home.

For questions and quotes, get in touch with one of our fencing experts:
